Mrs. Doeble:

In review of our response to the SACS-COC recommendations from the on-site visit in November, please consider this letter as a request to find the means, within all reasonable measures, to accommodate the hiring of nineteen (19) new faculty in Academic Year 2012-2013. Please also keep in mind that an additional thirty-two (32) should be hired over the course of the next five academic years.

By taking this action, it is projected that the college should be able to attain an overall ratio of 30% or greater of student credit hours taught by full-time faculty and similar ratios in academic division areas. With our current efforts to effectively distribute new faculty and reassign lines where appropriate, these measures will go a long way in addressing concerns as expressed by SACS-COC about Core Requirement 2.8

I thank you in advance for your hard work and support for this endeavor!
