EDUCATION:

Capella University, Minneapolis, MN. PhD Higher Education Leadership, anticipated completion date Spring 2012. Completed all coursework, comprehensive exams and am currently in the 4th quarter of dissertation research.

University of Kentucky, Lexington, KY. Completed all PhD coursework and comprehensive exam in Leadership of Higher Education.

MBA Morehead State University, Morehead, KY

Currently have 18 graduate hours in Economics and 24 graduate hours in Management.

EXPERIENCE:

Professor, Edison State College 2004-present.
Currently Chair, Social Sciences

Professor, Big Sandy Community and Technical College (formerly Prestonsburg Community College). 1984-2004.

Prior to working at Edison State College, my specific work experiences included:

- Member, Governor's Task Force on the Economic Status of Kentucky's Women.
- Member, David School Board of Directors.
- Chair, Education Committee – David School.
- Secretary/Treasurer for the Kentucky Economic Association (3 years).
- Member, Kentucky Economics Association (10 years).
- Chair, Social Sciences Department.
- Chair, Kentucky Community and Technical College (KCTCS) Promotion and Tenure committee.
- Developed, implemented, and analyzed a survey for the former Mayor of Presented. The information from this survey was used in the economic development plan for downtown Prestonsburg.
- Pioneered an Information Technology Program for Prestonsburg Community College. The program included options in r-commerce, networking, programming, and information support.
- Presented a workshop on academic advising and developed a manual on academic advising.
- Pioneered an Adopt-a-High-School program. This program was designed for volunteer faculty to work with service re high schools in assisting with a variety of activities

ranging from scheduling classes at the high schools to helping students with off-campus registration.

- Lead economics faculty in developing the online economics courses for the Kentucky Virtual University.
- Numerous professional presentations, including “Economics on the Net” to the annual Kentucky Economics association members and “Kentucky Women in Academe, Still Outsiders?”
- Testified to the Kentucky Senate Education Committee on two separate occasions as a representative of the Community College System faculty.
- Organized the College President’s inauguration ceremony.
- Organized numerous graduation ceremonies.
- Organized and chaired a Higher Education Panel for Hazard Community College’s Annual Improving Instruction Conference.

In addition, I taught 15-21 hours each semester. Courses taught included: macroeconomics, microeconomics, introduction to business, business law, human resource management, principles of management, hospitality management, supervisory management, and marketing.

I taught part-time for Morehead State University at their off-campus site in Prestonsburg and Pikeville, Kentucky. Courses included junior level economics and management courses.
