Hi Britney, I have been trying to gain employment and have so far been unsuccessful. The employment gap is getting in the way in spite of the classes I took. Question: Why does Lee Memorial Health Systems participate and yet won't hire you when you are finished? Thanks, Darlene Dean

Dear Brittany,

Thank you for the email.

I have sent my resume on the LMH on line site, I tried to speak to someone at the employment office, to no avail. They would not make an appointment.

I have given my resume to about 10 other offices, I have not heard anything. It's kind of discouraging.

I want to finish up my CPR recertification this Friday and I sent three emails and two phone calls for the class to refresh my IV skills that was sent to me by ESC. I have not heard back from them.

If you know of any openings part time would definitely be interested.

Thank you for your time.

Sincerely,  
Sarah Chadha RN

I start my new job at the same place I started when I graduated from nursing. This is too awesome. I have to start on nights but that is good because most of the residents are asleep. I start on Tuesday a 12 hour shift from 7pm to 7am. I hope I will be able to get oriented and do a great job at taking care of all the residents that live at the facility. Thanks to all of you for your well wishes. Keep in touch.
