2. According to the Assessment Plan, what were the planned assessment activities to be conducted during the Academic Year? You may want to copy and paste from this program's assessment plan.

Which outcomes for this program were measured?	How did you measure the outcomes?	What results did you expect?
Host a District Campus Leadership	Assess student leadership development	Satisfaction rates of at least 80% and development of interpersonal and
Conference	via attendance, surveys, focus groups	intrapersonal competence.

3. Results, conclusions, and discoveries. What are the results of the planned activities listed above? What conclusions or discoveries were made from these results. Describe below or attach to the form.

Participation rates included 86 students and results indicated a satisfaction rate of 88.9%. Focus groups along with pre/ post tests indicate students "gained more knowledge about themselves, confidence, and value interdependence".

4. Use of Results. What program changes are indicated? How will they be implemented? If none, describe why changes were not needed.

Conference will be offered again this coming Fall 2011 as well as weekly leadership lunch and learn seminars to hone skills.

5. Dissemination of results, conclusions, and discoveries. How and with whom were the results shared?

Results were shared with department members, Student Services, and Institution Leadership.
