I am auditioning for (check one): Acting _____ Design/Tech _____

Briefly describe your theatrical experience to date:

Acting Auditions

Student's taking part in the acting audition should prepare a monologue no longer than 2 minutes. If possible, please also provide a black and white headshot (8x10) and acting résumé.

Design/Tech Auditions

Student's taking part in the design/tech audition should bring a portfolio that contains examples of their design/tech work. This may include production photographs, plots, models, renderings and drawings as well as relevant examples from art, design, media and drafting classes. This includes both 2 and 3 dimensional works (photographs of original art work are acceptable).
