

REQUEST FOR DEFERRAL OF ADMISSION

Upon written request, F1 applicants may defer (postpone) their application or admitted F1 students may defer their admission for two consecutive semesters without reapplying.

Applicants or admitted students wishing to defer must complete this form and return it to the Center for International Education.

Deferral to a semester other than the one on your original application is not automatic. International (F1) students must update and resubmit a financial certification in accordance with current requirements as stated on the Financial Affidavit Form.
