## Web Page Creation \$99

Create and post your very own Web site on the Internet using HTML in this extensive, hands-on, six week workshop. First, you'll learn about the capabilities of the World Wide Web and the fundamentals of web design. Then, with your instructor's patient guidance, you'll plan the content, structure and layout of your Web site, create pages full of neatly formatted text, build links between the pages and to the outside world, and add color, backgrounds, graphics, and tables. You'll also learn critical and timely information on securing the best possible location in search engine listings, and powerful no-cost or low-cost web marketing strategies.

**Requirements:**

- Internet access
- Email
- One of the following browsers:
  - o Mozilla Firefox
  - o Microsoft Internet Explorer (9.0 or above)
  - o Google Chrome
  - o Safari
- [Adobe PDF](#) plug-in (a free download obtained at [Adobe.com](#).)
