Edison State College students come from a variety of backgrounds. But their common bond is their pursuit of educational excellence. By supporting the Edison State College Foundation, you can help our students achieve their dreams.

As a member of the Florida State College System, Edison State College has a unique 50-year history in Southwest Florida. Located in Lee, Collier, Charlotte, and Hendry/Glades counties, our campuses, centers and online programs provide easy access for stu-

dents entering their preferred degree program.

Students can choose among 17 Associate and 10 Bachelor Degree Programs and have access to comprehensive support services, student clubs, residence life (Lee Campus), exchange programs, and outstanding faculty instruction. At graduation, many students chose to remain in Southwest Florida, enriching our economic engine and providing stable communities.

Your support can give these aspiring community leaders the chance to transform our world. Please consider a gift today.
