<p>9. Background Information:</p> <p>On November 18, 2014 the District Board of Trustees approved the rank ordering of architectural firms for the design/development of a Student Recreation and Athletic Facility and authorized Administration to enter into a contract within the existing Board delegations with the top ranked Firm to develop a conceptual design and estimate of project cost. The top ranked architectural firm has now completed the conceptual design and has developed a project budget. Administration now proposes entering into a contract with an architectural firm to complete the design/development of the Student Recreation and Athletic Facility and for services related to construction.</p>
