Course sequences are formatted to help ensure the most direct path to program completion. Deviation may add to the overall time to complete the degree, as many courses require prerequisites or are not offered every term.

**Graduation:** All program requirements must be met in order to be eligible for graduation. Students must indicate their intention to attend the commencement ceremony, by completing the “Commencement Form” by the published deadline. Make an appointment with a Student Success Coordinator/Advisor to ensure you are on track to graduate.

**IMPORTANT NOTICE TO STUDENTS:** This document is not to be considered an official program of study, rather a worksheet for preliminary planning purposes. **MANY COURSES ARE NOT OFFERED EVERY TERM.** Many courses have minimum grade and/or *prerequisite requirements* as outlined in the college catalog. Students should work with a Student Success Coordinator/Advisor in the School of Business and Technology.

**Don't forget to ask about adding a certificate as a secondary major!**

**Accounting Technology Management 27 Credit Hours**
