Radiologic Technology

Florida SouthWestern State College
Catalog Year 2026-2027

Admission into the Radiologic Technology Program is a two-phase process. A limited number of applicants will be admitted each fall semester. Phase I evaluates applicants according to: cumulative grade point average, math/science grade point average, and number of credit hours earned by the end of the spring semester. Phase II evaluates the applicants using an interview and program testing. Top candidates are interviewed for possible admission into the program.

Minimum Requirements to Apply to the AS in Radiologic Technology

- ☐ Accepted to Florida SouthWestern State College
- ☐ Completion of BSC 1085C - Anatomy & Physiology I with a grade of C or better
- ☐ Completion of MAC 1105 - College Algebra with a grade of C or better
- ☐ Minimum GPA- 3.0+, Cumulative GPA includes all coursework completed at time of application (*credit will not be awarded for repeated courses that have already earned a passing grade of a "C" or better).*
- ☐ If applicable, transcripts must be received and evaluated by the FSW Registrar's Office. It is the applicant's responsibility to ensure this is completed by the application deadline. It is recommended that you meet with your current advisor to confirm this is completed
- ☐ Complete and Submit AS Radiologic Technology Application through the program page by deadline of **April 30th.** This includes payment of application fee.
