¹ Students who have successfully completed CGS 2108 will have met the requirement for CGS 1100.

NOTE: Course sequences provided are formatted to help ensure the most direct path to program completion. Deviation may add to the overall time to complete the degree, as some courses require prerequisites or are not offered every term. Course sequencing only includes upper level credits.

Residency requirement: To earn this BAS degree, students must complete a minimum of 30 credit hours of upper division coursework at FSW.

*Courses specified as Mathematics, Humanities, Natural Sciences, & Social Sciences should be selected from courses listed in the FSW College Catalog's **General Education Program Guide**.

**Completion NOT required prior to BAS admission

***Students must complete **Florida's Foreign Language Requirement** prior to the completion of the baccalaureate degree; consult SOBT Student Success Coordinator for approved lower division electives needed.

******CIS 4891 Senior Capstone Project**, required final course, must be taken in the last semester and must be completed at FSW. It is strongly recommended to be taken with no more than one other course from the degree core.

Fulfillment of the Natural Sciences category includes the completion of a laboratory, either as a standalone course (courses with an "L" suffix, e.g., CHM 1045L) or combined within a course (courses with a "C" suffix, e.g., BSC 1051C).

Graduation: All program requirements must be met in order to be eligible for graduation. Students must indicate their intention to attend the commencement ceremony, by completing the "Commencement Form" by the published deadline. Make an appointment with a Student Success Coordinator/Advisor to ensure you are on track to graduate.
