# of Students who never attempted the certification exam	5
<i>Total pass rate of those who made an attempt</i>	95.5%

*The data presented reflects student information as captured at the time of reporting (9/3/2025). It is important to note that graduates from the EMT and Paramedic program have a two-year period from program completion and up to six attempts to successfully pass their national registry examination. Numbers and percentages may fluctuate to reflect additional successful examination completions that occurred after the original reporting period.
