**Policy:**

Florida SouthWestern State College is dedicated to providing a safe and healthy environment for students, faculty, staff, and visitors to the College, which includes eliminating tobacco use as part of our commitment to promoting healthy practices and choices for individuals.

Tobacco use is prohibited on all property and in all facilities owned, leased or operated by Florida SouthWestern State College, including all vehicles owned or rented by the College. There are no designated smoking areas on such College property. Tobacco use includes all types of tobacco and tobacco-like products including smoke-less tobacco and any other smoking or smoking simulation products including electronic cigarettes.

The President will develop administrative procedures to implement this Policy which will include provisions for notification, signage, education and enforcement.
