

# HAZMAT TRAIN-THE-TRAINER COURSE

Training of Hazardous Materials employees is critical to the success of the Hazmat system as a whole. An effective training program is crucial for Hazmat employees to ensure they are using and implement the highest level of safety in the industry.

Florida SouthWestern State College has partnered with industry experts, Hazmat Safety Consultants, LLC and the Dangerous Goods Trainers Association to develop a online Train-the-Trainer course that blends industry knowledge and adult-learning philosophies to prepare the student to become a Hazmat Trainer.

Course covers the following:

- Hazmat General Awareness & Global Systems
- How to perform a Hazmat Needs Assessment for your company
- Adults learning philosophies and training plans
- Course development and delivery
