ADAptive Services

**School Counselor &
Career Specialist Workshop**

December 7, 2018

ADaptive Services: Overview

The Office of ADaptive Services' (OAS) goal is to assist students achieve educational success by providing services that empower students while working within the limitations of documented disabilities. FSW proudly accepts our legal obligation with the Americans with Disability Act and are pleased to share the responsibility in providing equal access and equal opportunity to college sponsored activities and educational programs.

The mission of OAS to focus on the abilities of each individual while empowering the student with the tools necessary to become self-assured and effective learners, strong problem solvers and successful members of our academic community. **Be empowered today...self-identify!**

ADaptive Services: Overview

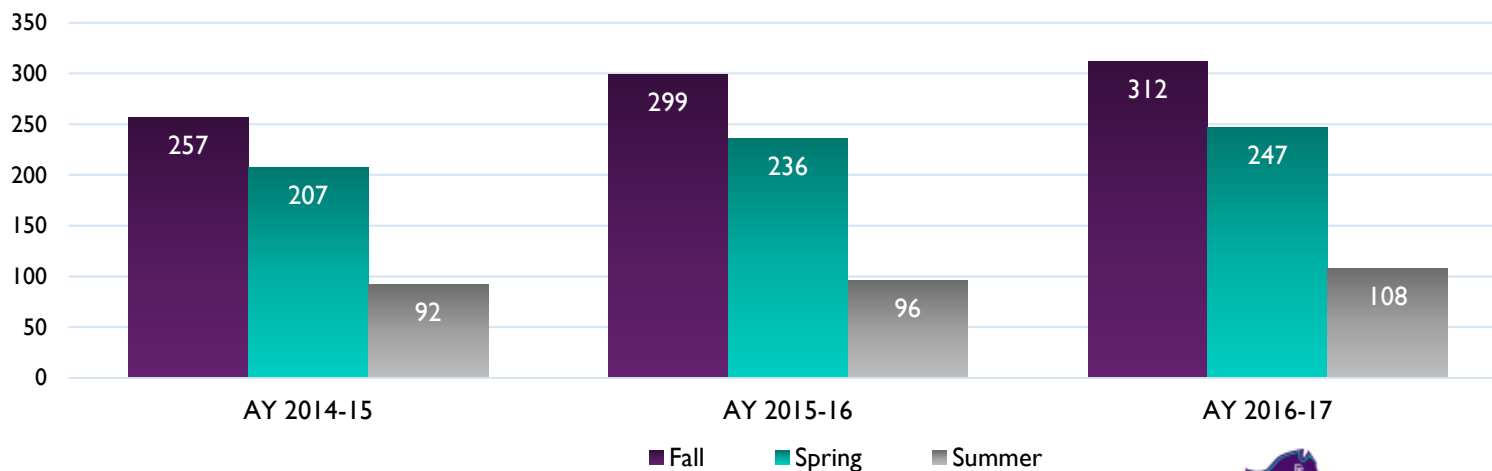

- Accommodations are available for students with documented disabilities
- Students are required to [Self Identify](#)
 - IEPs/504s are not sufficient for post-secondary needs
- Dual enrolled?
- Accommodations are not retroactive
