# FSW ACCELERATED PATHWAYS

## CHOOSE YOUR OWN ADVENTURE

The Dual Enrollment Program consists of courses taken concurrently (on a high school campus with a credentialed college professor), on an FSW campus, or through FSW online. Many students take a combination of all three course modalities.

Students may enroll in 3-15 college credit hours, while still attending high school courses.

Students 6th-12th grade may be eligible, with college-level test scores and necessary unweighted grade point average.

The Early Admission Program allows for 11th and 12th grade students to take a full college level course schedule, ranging from 12-18 credit hours either on one of our FSW campus or through our online courses.

Students must be eligible with all college-level test scores and maintain a 3.0 unweighted grade point average or higher.

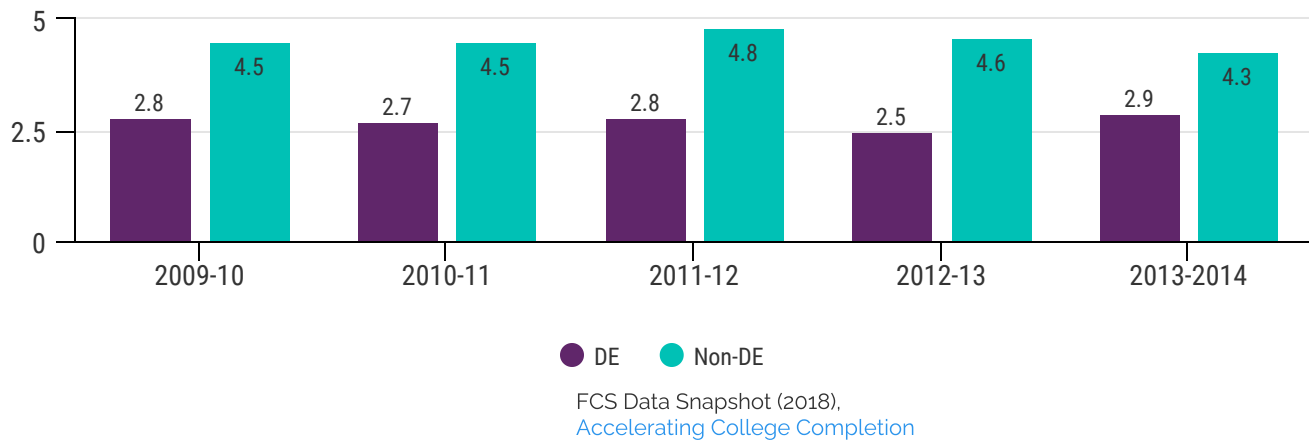

The Collegiate Institute Program began in the 2017-2018 school year, with our first site at Clewiston High School. FSW works in partnership with the district to provide college faculty to offer a college-within-a-school model where students may earn their Associates in Arts degree at their high school.

Students start as an 11th grade cohort with the same eligibility requirements as the Early Admission Program.

# WHY ACCELERATED PATHWAYS

Florida has been a leader in dual enrollment opportunities for high school students to earn college credits prior to enrolling in college. Both the Florida College System and Florida State Legislation continue to be responsive and innovative to student and community needs.

## DE Students Complete College Faster

Florida state statute protects and encourages dual enrollment:

1007.27 F.S.;

### Key provisions:

1. Dual Enrollment is at no cost to parents and students
2. Dual Enrollment credits transfer to state colleges and universities
3. Dual Enrollment is weighted the same as AP, IB, and AICE courses
4. Defined eligibility

Florida SouthWestern State College has three programs within Accelerated Pathways. Over the last five years, our high school student population has grown 30.6% from 2,371 students in 2013 to over 3,420 for Fall 2019. This group equals over 20% of FSW's overall student population.

is your destination for

# Dual Enrollment

classes and beyond

1

## College Credit

FSW students receive both high school and college credit simultaneously. The average dual enrollment student earns around 9 credits per year.

2

## Rigor

FSW students take part in rigorous course discussions, activities, and interactive labs to help them master course content.

3

## Transferability

FSW credits transfer to any Florida state institution making academic planning easy. Over 33% of FSW students transfer to FGCU.

4

## Success

FSW dual enrollment students have a 93% success rate (C or higher) in their college coursework and have earned acceptances to top post-secondary institutions.

5

## Atmosphere

FSW provides an independent, student-directed atmosphere that promotes student growth and development.

## Savings

6

FSW dual enrollment students saved over \$7 million in college tuition and textbooks last year alone.

## Time

7

The Florida Department of Education found dual enrollment students graduate college in 2.9 years, versus 4.3 years for traditional students.

## Debt Free

8

70% of FSW students graduate debt free. With numerous scholarships and financial aid options, it is a great financial choice for students.

## Resources

9

FSW dual enrollment students have complete access to the college's resources, such as tutoring, advising, extra-curriculars, clubs, and special programs.

## College Degree

10

FSW offers multiple certificates and degrees that are directly employable and are in high-demand. Many programs are ranked for exam and placement rates.

When registering for ACT/SAT, don't forget to include the FSW code-- SAT- 5191, ACT- 0727.  
For more information on FSW Dual Enrollment Program Visit: [www.fsw.edu/dualenrollment](http://www.fsw.edu/dualenrollment).

# HOW TO DUAL ENROLL @ FSW

## TIPS ON THE ENROLLMENT PROCESS

1

APPLY

Apply on the College's website under Dual Enrollment / Early Admission

<https://apply.fsw.edu>

There is no cost associated with this application.

Receive a Buc ID number.  
@00-----

2

TEST

Provide college-level scores to the college.

Tests used are:

PERT, ACT, SAT

To register for the PERT go to  
<https://www.fsw.edu/testing>

Determine program:  
Dual Enrollment (part-time, 3-15 credits) or  
Early Admissions (full-time, 12-18 credits)

3

COUNSELOR\*

Discuss with your school counselor what classes you should take based on high school graduation and major. You may also meet with your assigned FSW advisor (located in your FSW Portal).

Be sure to inform your counselor and FSW advisor about any college-bearing courses you are taking (IB, AICE, AP).

4

REGISTER

Counselor signs Accelerated Registration Form (paper or DocuSign) granting approval of courses.

Bring completed registration form to FSW Registration with photo ID or check for completion of DocuSign. The FSW Portal will have listed your scheduled courses.

Any add/ drops are processed with the same registration forms.

5

AFTER

Once registered, your school will provide information on receiving your textbooks.

Check your FSW Portal for class schedule and email.

Add Canvas course  
<https://fsw.instructure.com/enroll/TGPBxB>

Complete Canvas Orientation.

### \*HOME EDUCATION STUDENTS

After test scores are submitted, home school students should request a Home School Affidavit from the district's Home Education office. This letter states they are in compliance with state statute and are registered as a home school student. Once received, submit your online Home Education Articulation Agreement found at [www.fsw.edu/dualenrollment](http://www.fsw.edu/dualenrollment). This DocuSign will be sent directly to Dr. Sterk to process and remove appropriate holds. No homeschool student should be registered without the "DS" hold removed.

Homeschool textbooks are processed by FSW and the Accelerated Pathways Office.

# ELIGIBILITY

## Modality

FSW Accelerated Pathway students have three modalities of instruction;

1. Concurrent instruction, which is a credentialed faculty member who teaches a college course at a high school;
2. On-campus instruction, where students can take a variety of coursework at any of the College's campuses, Charlotte Campus, Collier Campus, Hendry-Glades Center, or Lee Campus; and
3. Online instruction, where students can take courses through an integrated online learning management system.

## Course Selection

Accelerated Pathway students have access to hundreds of courses through concurrent courses (taught at a high school by a credentialed FSW concurrent faculty member), on the College's campus, or online. The most common courses are ENC 1101, AMH 2010, MAC 1105, POS 2041 and PSY 2012.

## Student Population

Public- 3,305 (headcount Fall 2019)  
Private- 31 (headcount Fall 2019)  
Homeschool- 96 (headcount Fall 2019)

The average DE/EA student would be:

- PERT scores of 113 (R), 112 (W), 117 (M)
- SAT scores of 29 (R), 28 (W), 26.6 (M)
- ACT scores of 24 (R), 21 (W), 21 (M)
- Take 9 credits per semester
- Take a class on the FSW campus

## Eligibility

### 6th-10th grade

- 3.5 unweighted high school grade point average
- Eligible test scores
- Access to dual enrollment
- Limited to 9 credits per semester
- Must maintain high school GPA and 2.0 college gpa

### 11th-12th grade

- 3.0 Unweighted high school grade point average
- Eligible test scores.
- Access to dual enrollment and early admissions
- Must maintain high school gpa and 2.0 college GPA

# FSW ACCELERATED PATHWAYS TESTING

FSW provided test with student FSW ID.

[www.fsw.edu/testing](http://www.fsw.edu/testing)

## PERT Scores

Reading	106
Writing	103
Math	114/123

## Accuplacer

Reading	245
Writing	245
Math	242/263

Student registers at  
[www.actstudent.org](http://www.actstudent.org) or  
[www.collegeboard.org](http://www.collegeboard.org)

## ACT Scores

Reading	19
Writing	17
Math	19/ 23

## SAT Scores

Reading	24
Writing	25
Math	24/28.5

- For Spring 2020, students will PERT test first (either at their high school or at FSW Testing Center) and use the Accuplacer for additional testing.
- Reading is a necessary score for **all** DE/EA courses.
- DE/ EA students are limited to 12 total credits before all 3 test sections need to have qualifying test scores.
- DE/EA will superscore among all four tests for eligible test scores.
- Math has two levels of eligibility- MAT 1033 or MAC 1105/ STA 2023/ MGF 1106/ MGF 1107
- Students may only take the PERT and/or Accuplacer 3 times while in high school, with one test per testing window (testing windows are October 30th-March 20th; March 21st-October 29th).

## CLEP

College-Level Examination Program (CLEP) is the most widely accepted credit-by-examination program. Florida SouthWestern State College minimum passing scores and course equivalents can be located in the current college catalog under "[Degree Acceleration Programs](#)."

FSW offers the CLEP exam twice a month with a [registration form](#). Popular exams are American Government, College Algebra, College Composition, History of the United States I & II, and Foreign Language (French, German, Spanish).

## ByPass

For students who excel in mathematics, FSW has two ways to by-pass prerequisites courses. If students have scores of PERT (135+), ACT (25+) or SAT (29+), they may schedule to take the Advanced Algebra and Functions (AAF) Test. Based on scoring, students may be eligible to take the Trigonometry Bypass Exam for MAC 1114 to enter into MAC 2311.

# FSW ACCELERATED PATHWAYS

## ADVISING TIPS

### FSW COUNSELOR RESOURCES

1

#### H.S. Graduation

High school graduation requirements are always first priority. It is why FSW requires the school counselor signature on registration form for both adding and dropping courses.

2

#### Access

Dual enrollment students have access to most FSW courses they are eligible for by meeting testing requirements and prerequisite courses. Students may take AS, AA, or CCC courses, but need to be degree-seeking.

3

#### Access Denied

Limited access programs, developmental courses, and 1-2 credit courses are not permitted. Exception to this rule is the EMT, permitted to seniors 18 or older.

4

#### Prerequisites

Student's coursework should follow prerequisites required for their major, as not doing so can put the student behind in core and elective sequencing.

5

#### Accommodations

DE/EA students are encouraged to use FSW's Adaptive Services no matter which modality they use to take an FSW course (concurrent, online, ground). They follow the same process as traditional students.

6

#### FERPA

While most DE/EA students are under 18, they fall under FERPA. However, FSW can share student information with school counselors.

7

#### Career Planning

DE/EA students want to advance in their coursework and get ahead. It is important to begin with the "end in mind"- what their major is, their future career, and what type of college they wish to attend.

8

#### Special Populations

While FSW sees DE/EA as one student population, there are some additional exceptions/requirements based on if they are from a public, private, or home education school.

9

#### Age

While DE/EA students are college students, advising needs to be aware they are teenagers. Stress SLS 1515 for all DE/EA students, avoid doubling writing intensive or core (science, math) courses.

10

#### IB, AICE, AP

More students are taking advantage of multiple college acceleration methods. Be sure to ask about possible courses that have earned them college credit.

11

#### Transferability

Florida state law (F.S. 1007.271) guarantees FSW credit transferring to in-state public institutions. Like all accelerated credit (IB, AP, AICE), DE credits may differ when going out-of-state and to highly selective schools.

12

#### Holds

Every DE/EA student has an Accelerated Registration Hold that prevents them from registering online without a counselor signature. Other holds include; 12 credit testing limit (missing testing score), and homeschool student.

13

#### Withdrawal

Because of #1, withdrawing for a DE/EA student is difficult unless there is a documented extenuating circumstance. They will need approval from their school district administration. A form is provided by the DE/EA office.

14

#### Excess Credit

Any college credit earned while still in high school, does not count towards the [Excess Credit Law](#) (F.S. 1009.286) allowing students more access to internships, study abroad, and double majoring.

15

#### Grades Matter

Students are building a high school and college transcript. Not being successful in courses may affect college admissions and financial aid.

## High School

From: Florida Department of Education  
Dual Enrollment Equivalency List

## College

4 Credits of English

English

ENC 1101= 1 credit  
ENC 1102= 1 credit  
Other options- AML, ENL, LIT (0.5 or 1.0)

3 Credits of Science (1 credit of Biology)

Science

Any science meets requirement  
BSC 1010= 0.5 credit  
BSC 1010L= 0.5 credit  
AST 2002C= 1.0 credit

4 Credits of Math (1 credit Algebra & 1 credit Geometry)

Mathematics

Any math meets requirement  
MAT 1033= 0.5 credit  
MAC 1105 & others= 1.0 credit

3 Credits of Social Science (1.0 World History, 1.0 US History, 0.5 Government, 0.5 Economics)

Social Studies

WOH= 0.5 high school credit  
AMH 2010 & AMH 2020= 1.0 credit  
POS 2041= 0.5 credit  
ECO 2013= 0.5 credit

Foreign Language\* (2 credits/ same language or 2nd level)

Foreign Language

SPN, FRE, ITA= 1.credit

Electives

Electives

Must be a 3 credit or more course  
Must meet prerequisites  
May not be a developmental course

School counselors are in charge of ensuring high school graduation requirements are being met

Responsibility

FSW ensures prerequisite and program requirements are being met.

# META-MAJORS ACADEMIC PATHWAYS

# FSW PROGRAM PATHWAYS

## High School

### Dual Enrollment

- Eligibility requirements
- College course work at high school, on a college campus, or online
- State credit transferability
- No cost to families

### Credit by Examination

- High school based programs
- College credit based on exam results
- Advanced Placement, International Baccalaureate, Cambridge AICE, CLEP

### Industry Certification

- Career and technical programs
- Course work taken at high school or at a state college/technical college
- High need areas in local workforce

## College/ Tech

### Certificates

- Workforce specific certificates, focus on career and technical
- Range in time 6-18 months
- Directly employable after completion

### Associate's

- Associate of Science, 2-3 year programs are directly employable
- Associate of Arts, 2 years general education credits geared towards Bachelors degree completion

### Bachelor's

- Typical 4-year degree, two years in general education coursework and prerequisites for major
- Employable after completion
- State colleges provide high-need degrees

## University

### Bachelor's

- Typical 4-year degree, two years in general education coursework and prerequisites for major
- Employable after completion

### Master's

- Graduate level programs after undergraduate degree is complete
- Some occupations require Master's degree or higher

### Doctorate

- Most advanced degree in field
- Some occupations require Doctorate degree or higher (medicine, law, etc.)

# FSW AA CONSIDERATIONS

## Communication

9 credits

- Needs Reading & Writing eligible test scores
- Equivalents- CLEP College Composition, AP English Language & Composition, IB English Language, AICE English Language/ Literature
- Counselor may attach official transcript of passing score to registration form for pre-req of ENC 1101

## Humanities

6 credits

- Nothing high school graduation specific
- Reading score for any non-writing intensive course
- Reading & Writing for writing intensive (LIT, HUM)

## Mathematics

6 credits

- Reading and Math score needed
- Score is tiered
- MAT 1033- high school math credit of 0.5
- Students may not take MAT 1100 or 0057
- Students are encouraged to have Alg. 1, Geometry and Alg.II completed

## Social Science

9 credits

- Reading score is needed for most courses
- Reading & Writing for WOH
- AMH 2010 & 2020 common DE Junior level courses
- POS 2041 & ECO 2013 recommended for senior year

## Science

6 credits

- Reading, Writing & Math are all needed for eligibility
- Some courses need passing of MAT 1033 or College Algebra test scores (AST 2002C & CHM 2045/L)
- BSC 1010/L- needs passing high school biology
- CHM 2045/L- needs passing high school chemistry
- PHY 2053 needs passing of MAC 1140 & 1114

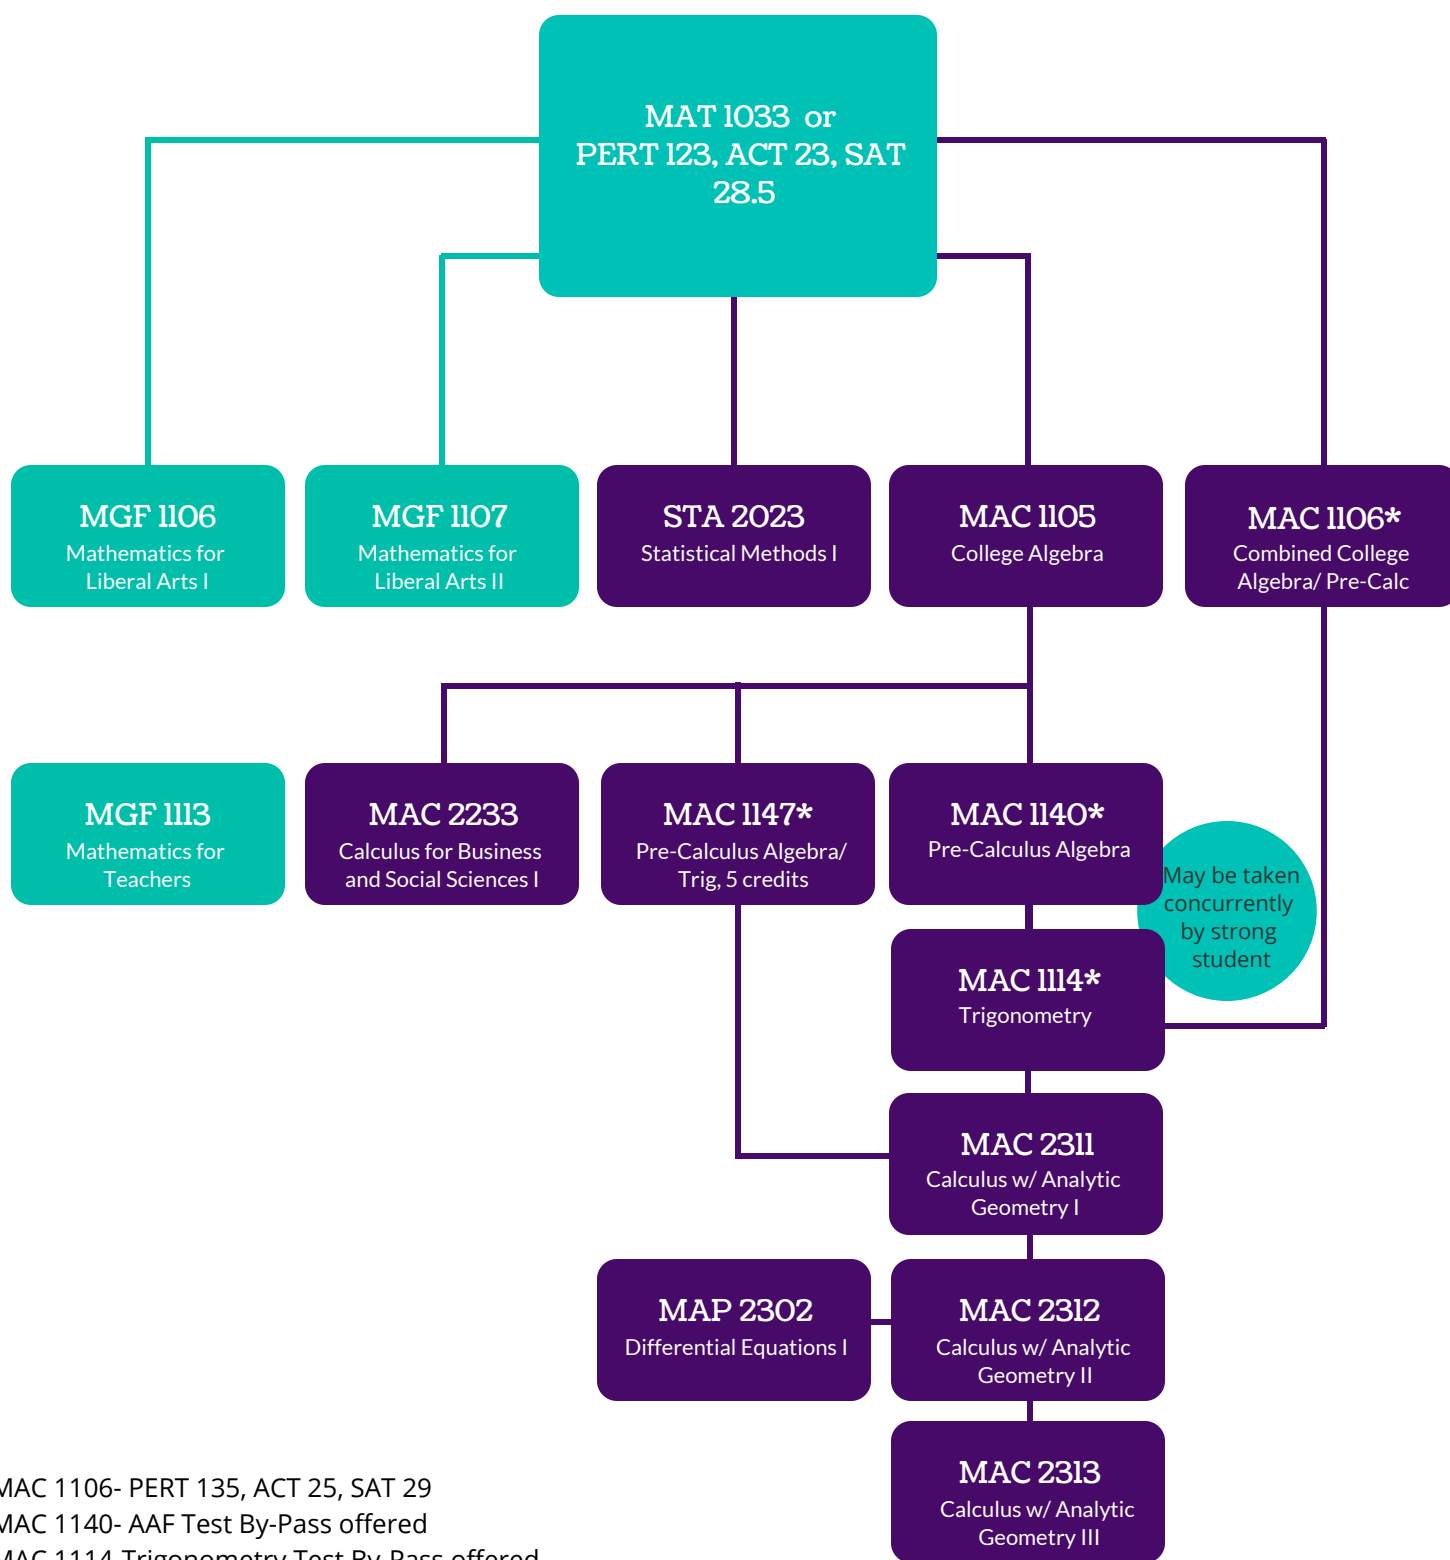

## Electives

24 credits

- Reading is needed for all electives.
- Reading and writing required for some electives.
- SLS 1515 is a requirement for all Early Admission students, recommended for first semester
- Needs 2 years of the same high school foreign language, 2 semesters at FSW, or passing the CLEP for AA
- Students allowed to take most 3 or more credit courses, including fine arts, business, education, technology, etc
- Students are encouraged to pursue electives in their field of study.

# FSW MATHEMATICS FLOW CHART

\*MAC 1106- PERT 135, ACT 25, SAT 29

\*MAC 1140- AAF Test By-Pass offered

\*MAC 1114-Trigonometry Test By-Pass offered

\*MAC 1147- "B" or higher in MAC 1105

All prerequisite courses must be passed with a "C" or higher

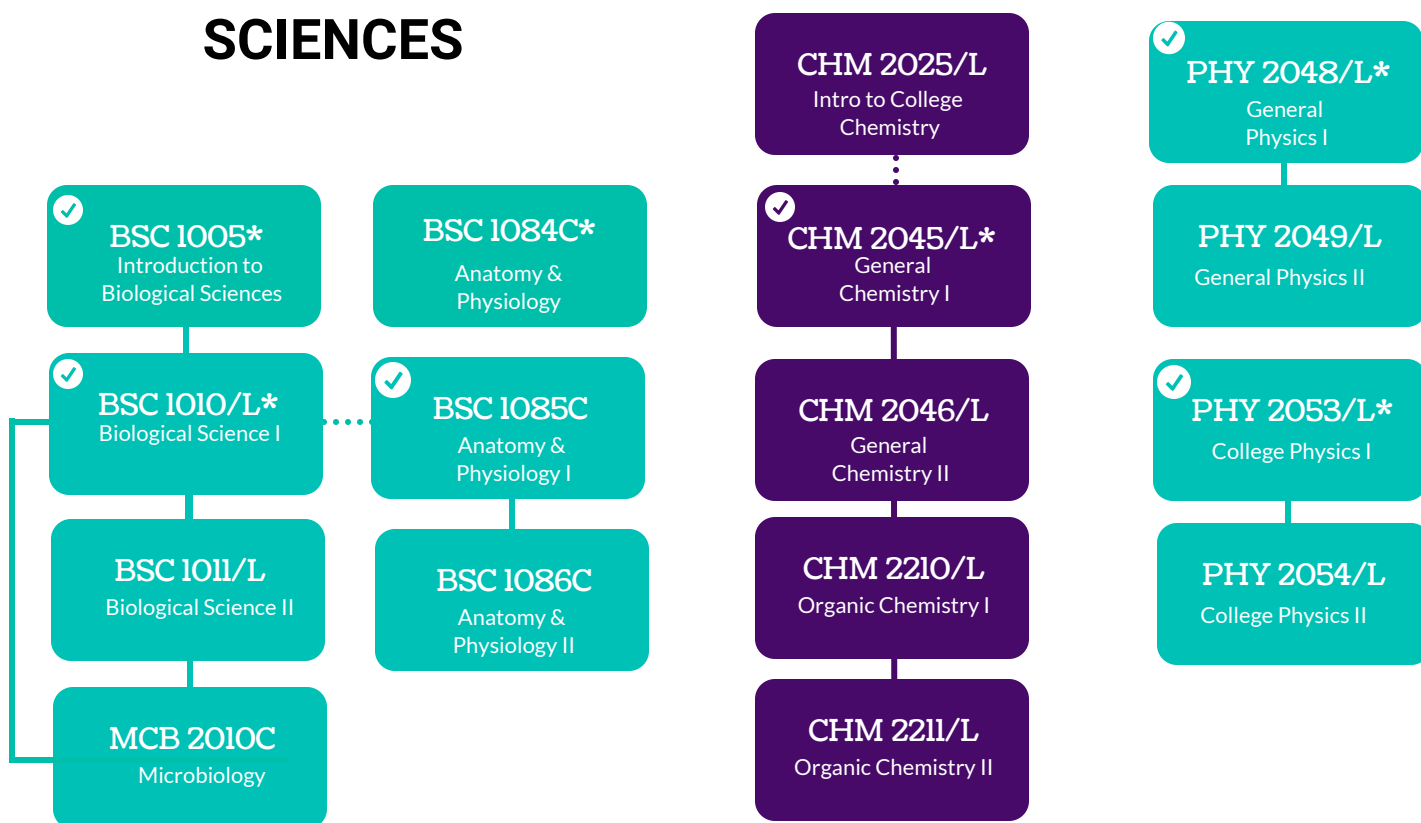

See FSW Testing Center for by-pass exams.

# FSW SCIENCE FLOW CHART

## BIOLOGY/ HEALTH SCIENCES

## CHEMISTRY

## PHYSICS

## GENERAL SCIENCE

### ✓ Core course

\*AST 2002C requires "C" or higher in MAT 1033 or MAC 1105 test scores.

\*BSC 1005 does not require lab, but is recommended.

\*BSC 1010/L may be taken if student has passed high school biology.

\*BSC 1084C is intended EMT or Health Information, not nursing or pre-med.

\*CHM 2045/L maybe taken if student has passed high school chemistry and has MAC 1105 eligibility.

\*PHY 2048/L requires a "C" or higher in MAC 2311 as prerequisite.

\*PHY 2053/L requires "C" or better in MAC 1140 and MAC 1114 or MAC 1147.

# FSW SAMPLE AA PLAN

Junior			Senior		
1S	ENC 1101 (RW)	SLS 1515 (R)	1S	STA 2023 (RW)	SPC 2608 (RW)
	MAT 1033 (RM)	Science (RWM)		POS 2041 (R)	Elective*
	AMH 2010 (R)			Writing Intensive Humanities (RW)	
2S	ENC 1102 (RW)	Science (RWM)	2S	ECO 2013 (R)	Elective*
	MAC 1105 (RM)	Non-Writing Humanities (R)		WOH (RW)	Elective*
	AMH 2020 (R)			Elective*	

R= Reading Score  
W- Writing Score  
M- Math Score

## How to Choose Core Courses & Electives

### H.S. Grad

High school graduation requirements always come first.

### Prerequisites

Different majors require specific core and elective courses. Students need to have the correct prerequisites for their major.

### Future College

In the Florida SUS and FCS system, all credits will transfer by state law.

## Other Acceleration (AP, Cambridge AICE, IB)

Many high school students do not understand how their high school acceleration credits (Advanced Placement, Cambridge AICE, and International Baccalaureate) transfer as college credit and end up taking unnecessary classes. The Florida Department of Education has outlined how accelerated credits from these programs will transfer based on test scores. Students should work with FSW advisors to determine what credits they should receive, how to receive them, and how these courses meet possible prerequisites or general education or elective credit.

The FSW College Catalog under [Degree Acceleration and Honors Programs](#) contains the full list of college credit equivalencies.

If students have met FSW prerequisites through AP, Cambridge AICE or IB, school counselors will need to submit transcripts with the student's registration form showing the passing score.

# FSW ACADEMIC PROGRAMS

FSW Accelerated Pathway students have access to the academic programs and student support services that are available. We encourage utilizing the great college amenities that separate FSW from their high school.

## HONORS

FSW Honors Scholars Program offers enriched and challenging curriculum for students seeking leadership, academic excellence, and commitment to social responsibility.

<https://www.fsw.edu/honors>

## STUDY ABROAD

The Center for International Education (CIE) has many study abroad opportunities for students to gain enhanced perspectives of the world, learn about new cultures, and gain a deeper awareness.

<https://www.fsw.edu/international-education>

## CLUBS/ ACTIVITIES

FSW offers a multitude of student organizations, student governments, honors societies, activities, and volunteering opportunities for all students. Get connected and build your resume!

<https://www.fsw.edu/student-engagement/clubs>

## ADAPTIVE SERVICES

FSW's Adaptive Services is here to support students to receive accommodations in a college setting. The Office of Adaptive Services focuses on empowering students with the tools to become a successful student.

<https://www.fsw.edu/adaptive-services/>

## ACADEMIC SUPPORT

FSW's Academic Support Centers exist to support all FSW students in achieving their academic goals. They often provide individual tutoring, specialized software, and multimedia programs for FSW courses.

<https://www.fsw.edu/academic-support/>

## COUNSELING

Students experience many stresses in their lives- sorting out one's identity, establishing and maintaining relationships, coping with anxiety and depression and more. The Counseling Office provides free, confidential short term counseling to FSW students.

<https://www.fsw.edu/counseling/>

- Fire Fighter I/II Certificate, PSAV

Courses in purple are new to FSW for the 2019-2020 school year.

**Associate in Arts Degree (AA):** A program of instruction consisting of courses offered to students intending to enter baccalaureate programs. All AA courses are advanced and professional in nature.

**Associate in Science Degree (AS):** A two-year program of instruction consisting of college level courses to prepare for entry into employment. All AS courses are advanced and professional or post-secondary vocational courses.

**Baccalaureate (Bachelor's):** A degree obtained by completing 120 credit hours. The first 60 hours are usually made up of general education and elective classes and the final 60 hours consist of major specific coursework.

**College Credit Certificate (CCC):** A CCC focuses on a specific job or set of skills. These programs require fewer credits than an associate degree. Credits completed in a CCC will apply to the related AS degree.

# FSW ACCELERATED PATHWAYS ELECTIVES
