

# DID YOU KNOW?

FSW's Academic Assessment webpage hosts over 5,000 pages of assessment information. Have you ever wondered how achievement in your class, department, or campus compares with the rest of FSW? Have you ever wondered if some of the same strengths and weaknesses you see in your students exist College-wide? Or maybe you have always been curious about what the Student Opinion Survey (SOS) responses look like based on the responses of students to the first six SOS questions asking them about their activity in the class. All of that and more can be found at <https://www.fsw.edu/facultystaff/assessment/history>.

Below are a few examples of some of the departments with the longest history of assessment exhibited on FSW's Assessment webpage:

- Speech & Foreign Language Department assessment studies dating back to Spring 2014.
- Academic Support Centers, Economics, English, History, Philosophy, Political Science, and Psychology department assessment studies dating back to Fall 2014
- Business Department assessment studies dating back to Spring 2015
- Humanities, Music, Religion, and Science department assessment studies dating back to Fall 2015
- and much more...

Have you noticed changes in your students, colleagues, or yourself? Let us know about it. Reply via email to D'ariel Barnard ([dbarnard@fsw.edu](mailto:dbarnard@fsw.edu)) and give us your feedback!

Best wishes!
