

# Office of Sponsored Programs & Research Grant Search Form

**Name**

**Department**

**Email**

**Phone #**

**Select one or more status below**

**Full-Time Faculty**

**Adjunct Faculty**

**Staff**

**Administrator**

**Intended Research Start Date**

**Previous Grant Awards**

**Previous Grant Agencies (if any)**

**Yes**

**No**

**Please provide a value range of funds needed for research (e.g., \$2500-\$7500)**

---

Please select a general field of study or interest in which you are seeking funding from the list below on the left.

**General Area of Research**

**other (if not specified in list on left)**

**Brief Research Description**

Please provide keywords for your field of research below. The more keywords, the better we can pinpoint funding sources for your research. Below is a list of keywords that may be helpful.

## **Keywords**

### **Keyword bank (not an exhaustive list):**

(for Agriculture) Industrialized, Plantation, Subsistence; (for Animal Welfare) Approaches, Attitudes, Criticisms, Definitions, Issues, Legislation; (for Arts, Culture & Humanities) Architecture, History, Literature, Music, Performing Arts, Philosophy, Poetry, Sculpture, Theology, Visual Arts; (for Community Development) Cultural, Economic, Environmental, Social; (for Disaster Preparedness) Earthquake, Explosion, Financial, Fire Evacuation, Flood, Hurricane, Terrorist Attack, Tornado; (for Domestic Preparedness / Homeland Security) Emergency Management / Services, Fire Service, Hazardous Materials, Healthcare, Governmental Administrative, Law Enforcement, Public Health, Public Works; (for Economic Development) Economy, Living Standards, Policy, Programs, Regulations, Strategies, Technology, Workforce; (for Education) Curricula, Development, Pedagogy, Philosophies, Play, Policies, Teaching; (for Energy) End Use {Sensors/data, Thermoelectrics, etc.}, Renewable {Bioenergy, Geothermal, etc.}, Policy {Law, Management, National Security, etc.}, (for Environmental Research) Climate, Conservation, Development, Global Health, Mitigation, Monitoring, Policy, Urban Challenges; (for Fire/EMS) Apparatus, Fire Behavior, Rapid Intervention, Warning Systems; (for Hazardous Waste / Brownfields) Atomic/Industrial/Nuclear, Disposal, Remediation, Solvents, Technology; (for Health) Cancer, Care, Illness, Gender-Related, Pregnancy, Quantitative; (for Housing) Domestic Violence, Homeless, Low Income, Public, Subsidized, Transitional; (for Human Services) Counseling, Criminal, Ethnic, Human Resources Development, Organizational Culture; (for IT / Communications) Broadband, Infrastructure, Interactive Media, Information Technology, Network Management; (for Justice, Prevention/Correction/Rehab) Educational Programming, Counseling, Crisis Intervention, Treatment Programs; (for Justice, Victims) Exploitation/Kidnapping, Legal, Mental Health, Sexual Assault, Shelter Programs, Trafficking; (for Justice, Youth) Delinquency, Gangs, Legal Representation, Probation; (for Law Enforcement) Cyber Security, Forensics, Training; (for Libraries) Digitization, Information Literacy, Resources; (for Parks & Recreation) Arts/crafts, Economic Impact, Sports, Well-being Programs; (for Recycling/Reuse) Facilities, Plastics, Remediation, Solid Waste, Water; (for Science/Technology) Applied, Biology {bioengineering, microbiology, biofuels, etc.}, Chemistry, Geology, Physics, Theoretical; (for Tourism/Hospitality) Bureau, Culture, Marketing; (for Training & Vocational Services) Career Development, Certification, Employment, Rehabilitation, Self-Sufficiency, Workforce; (for Transportation) Automobile, Commuter, Interstate, Local, Multi-modal; (for Water Supply/Quality) Assessment, Conservation, Environmental, Natural Resources.

**Please provide any further details you feel may help in terms of funding research.**
