

Dear Student,

You may have already provided your high school transcripts in order to be accepted to the College. If the transcripts you provided were in-progress and did not include a high school graduation date, or if the transcripts were considered unofficial because they were not in a sealed envelope, you will need to provide the Office of Admissions with a final, official high school or GED transcript for financial aid purposes. Although you may have already received a financial aid award notification, financial aid will NOT disburse funds without an official, final high school or GED transcript on file. If you are in high school and graduating this year, you will need to provide your final, official transcript once your graduation date is posted in order to satisfy this requirement. Additional copies of in-progress or unofficial transcripts will not satisfy this requirement. If you have questions, please contact the Office of Admissions at admissions@fsw.edu.

Thank you

Office of Student Financial Aid.
