Human Growth & Development in

■ DEP 2004: Human Growth & Development with **Dr. Kelly Roy**

Study human development across the lifespan in Italy! Consider the family and community context by exploring Reggio-Emilia's unique approach to infancy and early childhood. Discover the influence of art, epicurean adventures and science on how children become adults. Florence serves as context, and Milan highlights modern, urban Italian life. Explore why Italians live so long and experience the way they enjoy life!
