MEETING NOTES for April 7, 2015

- FGCU GO-Kart race success. Teams from as far as Key West, Clewiston...
- Review of Events - How to make the tour better
- Scoring Issue - Team Names can't change throughout tour –amend registration with login for each team to remedy. Name change results in loss of accumulated points.
- We need a Code of Conduct just like Little League
- Merry talked with VCB about STEM tourism possibility-there is interest
- Idea to create a short video about the tour events which could be distributed to schools. Brian may have the talent at FSWHS to shoot it.
- Next year's events-approximate timing:
 - OCT – The Village School Blind Challenge
 - NOV 14 - Imaginarium Solar Cook-off
 - Late JAN or FEB – Algenol Solar Transport
 - Late FEB – *Seacrest Blind Challenge MAYBE*
 - MAR or APR – FGCU Solar Go-Kart race
- Event sponsors will try to have all information available at the start of the tour
- Angi agreed to take a stab at a Code of Conduct
- Next meeting in August

CODE of CONDUCT phrases

- We are all volunteers
- Constructive comments are welcome
- Any negativity in any and all forms of communication may result in a team's expulsion
- In signing up for this event you agree to abide by the code of conduct
- Code of conduct includes everybody – parents, students, teachers, tagalongs
- Team coach is the sole communicator with event staff
- Positive communication
- Issues brought to event staff's attention by coaches may not be resolved while the event is ongoing.
