Dr. Brian Botts  
Florida Southwestern Collegiate High School  
Lee Campus

Good afternoon, Dr. Botts and Staff,

On behalf of the National Association of Women In Construction, Southwest Florida Chapter 297, I would like to personally thank you for your partnership with our chapter. We are extremely excited to be able to work with you, your staff and your students on the design and construction of the shade structure for your garden and tilapia farm. Our chapter recognizes excellence in your curriculum & STEM Initiative and we are honored to be a part of the development in which these future student leaders can thrive. We are looking forward to getting started!

Kind Regards,
