

6:00 to 6:30 - Meet and Greet

Scrolling video presentation about next year's Technology class

6:30 - Opening Presentation

This presentation will orientate you to our school culture, educational priorities, and help provide information as you consider where to attend high school.

6:50 to 7:50 - Three Stop Tour + Engineering

Science, Math, & Humanities (your chance to split up)

Student Ambassadors will escort you through a series of classroom experiences including an Engineering Challenge. Staff and students will lead discussions that feature different aspects of the school in each of the three above locations. A two sided discussion guide is provided to help you make the most of your time here with us.

7:55 - School logistics and Lottery Process

8:00 - Open Campus for follow up questions (see FAQ)

- *Un-scripted questions with "real Buccaneers" - All students and staff*
- *Personal assistance with lottery registration*
- *Course selections and or special cases - Dr. Botts*
- *Enrollment logistics - Ms. Lisa Betz*
- *General questions and the FAQ document - Ms. Zaragoza*
- *Philosophy and school culture - Dr. Botts*
