

FLORIDA
SOUTHWESTERN
COLLEGIATE HIGH SCHOOL
LEE CAMPUS

Welcome to FSWC–Lee!

We hope that you can use this time to ask questions, get a feel for how we do business, and get enough information to decide if this is the place for you.

You and your parents are encouraged take an active part in the visit to feel what it means be a Buccaneer!

Now is your chance to see what's really going on in our classrooms!!! (if you're not sure, just ask)

1. In the big picture, what skills and content are important to this teacher and why?
2. What are students studying, and how is material presented?
3. What do successful students do in this class or classroom?

Walking Tour

•**Garden**— *Are there examples here of learning about real life issues, not just test preparation?*

•**Courtyard** - *Why is there a boat here, and what is that thing hanging off the roof?*

•**Cafeteria** — *What is the social climate and general student mood here?*

•**Commons**— *What are Ship Points, and when do we run and Advisory Schedule?*

Engineering:

Engineering class features critical thinking, communication, and collaboration skills!!!

1. What type of project(s) do you see in progress around the classroom?
2. How are students organized, and how do they feel about it?
3. What sort of STEM content is imbedded in the experience?

Please share with your tour guide(s):

- *How did you become interested in FSWC—Lee?*

- *What do you hope is similar or different here as compared with your current school?*

- *Is there anything you are concerned about related to the school?*

- *What questions can we answer for you about the school, our culture and climate, and/or our personal experience here?*
