Science, Engineering & Math Pathway

AA/AS Dual Degree

Pre-Medical, Veterinary, or Dental School

Florida SouthWestern State College
Catalog Year 2025-2026

This map is for students earning both the Associate in Arts (General Studies) and Associate in Science (Science & Engineering Technology) degrees. Completing both degrees together helps you meet prerequisite and general education requirements to transfer to a Florida public school for a Bachelor's degree in this major. Classes with the  symbol help you explore this pathway.

Florida Gulf Coast University Notes

This plan is mapped against FGCU's Biology B.S. degree with Pre-Professional Concentration. ‡ Students must complete both the Organic Chemistry and Physics sequences to graduate from FGCU's B.S. degree program. AA Students may choose to complete either sequence, or both at FSW. This is aligned with the 2025-26 FGCU Catalog. Admission and prerequisite requirements may change by the time you seek to enroll.

University of Florida Notes

This plan is mapped against UF's Biology B.S. degree with Pre-Professional Concentration. ‡ Students must complete both the Organic Chemistry and Physics sequences to graduate from UF's B.S. program. However, students are not required to complete these sequences as prerequisites for admission. AA students may choose whether to (A) skip the sequences at FSW and complete them later at UF, (B) complete part at FSW and the remainder at UF, or (C) complete the sequences at FSW prior to transferring. This is aligned with the 2025-26 UF Catalog. Admission and prerequisite requirements may change by the time you seek to enroll.

University of South Florida Notes

This plan is mapped against USF's Biology B.S. degree with Medical Biology Concentration. ‡ Students must complete both the Organic Chemistry and Physics sequences to graduate from USF's Bachelor's degree program. AA students may choose to complete either sequence, or both at FSW. This is aligned with the 2025-26 USF Catalog. Admission and prerequisite requirements may change by the time you seek to enroll.

FSW Notes and Important Information

- Classes with the 💡 symbol help you explore this pathway.
- Students must meet all requirements in the FSW College Catalog, including Core, Writing Intensive, Civic Literacy, Foreign Language, and degree-specific rules. www.fsw.edu/academics/catalog
- Other classes may be used toward FSW degree requirements, but they might not meet the prerequisite and transfer requirements for your intended Bachelor's degree. Total credits for graduation may exceed the numbers indicated. Your Academic Advisor can help you make a personalized plan. www.fsw.edu/advising
- **IMPORTANT:** Schools may have additional transfer requirements not listed here, and prerequisite course requirements can change without notice. Always confirm transfer requirements directly with your destination schools and plan carefully and frequently with your Academic Advisor.
- To maintain timely graduation, it is highly recommended that you complete all common prerequisite course work prior to being admitted into a Bachelor's degree program. Some institutions may require that all prerequisites be completed before acceptance into the major.
- ****The prerequisites for General Biology (BSC 1010/L) are (demonstration of readiness for college-level computation and communication) and (BSC 1005 or 1 credit of high school biology) with a "C" or better.**
