STUDENT SERVICE-LEARNING SURVEY
Post-Service

This survey is designed to measure general attitudes and perceptions of service-learning for students.

Your name: _____ Email address: _____

Service-Learning Project: _____ Date: _____

Please respond as honestly as possible, relying on your current beliefs or attitudes. Indicate your level of agreement with each statement by circling the appropriate choice.

	Strongly Agree	Agree	Disagree	Strongly Disagree	Not Applicable
1. The service-learning project helped me to see how the subject matter I learned can be used in everyday life.	4	3	2	1	
2. I will continue to volunteer in the community after my required hours are fulfilled.	4	3	2	1	
3. As a result of my service-learning experience, I have improved my critical thinking and problem-solving skills.	4	3	2	1	
4. As a result of my service-learning experience, I have learned more in my classes than I would had I not participated in a service experience.	4	3	2	1	
5. As a result of my service-learning experience, I have an increased level of awareness of cultural differences and attitudes toward helping others.	4	3	2	1	
6. As a result of my service-learning experience, I have improved my communication skills.	4	3	2	1	
7. As a result of my service-learning experience, I have an improved sense of civic and social responsibility.	4	3	2	1	

Was this your first service-learning experience in higher education? _____

If no, please list previous experiences:

What did you learn about your community organization?

Please recommend any suggestions on how this service-learning project might be improved for students in the future.
