

**OFF-CAMPUS ACTIVITY ASSUMPTION OF RISK
LIABILITY RELEASE AND INDEMNIFICATION AGREEMENT**

1. I desire to participate in the following activity/trip _____ (“Activity”). I fully understand and appreciate the dangers, and risks inherent in the Activity, in the transportation to and from the Activity, and in any independent research or activities I undertake supplemental to the Activity. These dangers and risks can result in injury and impairment to my body, general health, well-being, and could include serious or even mortal injuries and property damage. I understand that Florida SouthWestern State College (“College”) cannot and will not guarantee the safety of participants, monitor or control the personal decisions, choices and/or activities of participants, control the acts or omissions of host institutions or other providers of goods or services involved in the Activity, or prevent participants from engaging in unwise, illegal or dangerous activities. I am willing to accept these risks. I further agree that the designated leader of the Activity may send me home, at my expense, for significant inappropriate conduct.
2. Knowing the risks of such Activities, and in consideration of being permitted to participate in the Activity, on behalf of myself, my family, heirs, and personal representative(s), I agree to assume all the risks and responsibilities surrounding my participation in the Activity, the transportation, and in any independent research or activities undertaken as supplemental to it. I further hereby agree to hold harmless, release, indemnify and defend the College, its employees, Board of Trustees, and their successors (collectively “College”) from any and all claims and demands whatsoever, which the undersigned, his/her family, heirs, and/or personal representatives, have or may have against the College, by reason of accident, illness, injury, property loss or damage or any other consequences arising or resulting directly or indirectly from my participation in internship programs or related activities. In no event shall the College’s liability for any act or failure to act exceed the amount paid for my participation in the Activity.
3. When attending College sponsored activities, students are subject to provisions stated in the Student Conduct Policy. This includes, but is not limited to, the prohibition against the consumption of alcohol or drugs which applies at all College activities regardless of whether the consumption of alcohol is lawfully permitted at the event location.
4. I agree to promptly express any health or safety concerns to the Activity staff or other appropriate individuals with the College. The College may (but is not obligated to) take any actions it considers to be warranted under the circumstances regarding my health and safety. I agree to pay all expenses relating thereto and release and indemnify the College from any liability for such actions. I understand that the College does not provide any accident or medical insurance during my participation in the Activity. I have arranged, through insurance or otherwise, to meet any and all needs for payment of medical costs while I participate in the Activity. I recognize that the College is not obligated to attend to any of my medical or medication needs, and I assume all risk and responsibility for them.
5. It is my express intent that this release and hold harmless agreement shall bind myself, the members of my family and spouse, if I am alive, and my estate, family, heirs, administrators, personal representatives, or assigns, if I am deceased, and shall be deemed as a Release, Waiver, Discharge and Covenant Not to Sue the College.
6. In signing this Release, I acknowledge and represent that I have carefully read this Agreement and understand its contents and that I sign this document as my own free act and deed. I further state that I am at least eighteen (18) years of age and fully competent to sign this Agreement, or that the person executing the document below my name has the requisite legal capacity to execute this document on my behalf; and that I/we execute this release for full, adequate, and complete consideration fully intending to be bound by the same.
7. I further agree that this Release shall be construed in accordance with the laws of the State of Florida. If any term or provision of this Release shall be held illegal, unenforceable, or in conflict with any law governing this Release, the validity of the remaining portions shall not be affected. If I am a College employee (excluding designated leaders of the Activity), I do not consider participation in the activity within the course and scope of my employment with the College. If I am a driver, driving my personal vehicle, I certify that I personally carry appropriate automobile liability insurance, which includes medical payments coverage.
