

# Online Trigonometry Bypass Exam

## Trigonometry Bypass Information:

- An Advanced Algebra and Functions (AAF) score of 276 or higher must be achieved in order to sit for the Trigonometry Bypass exam.
- The Trigonometry Bypass exam is strictly to bypass MAC1114.
- You will not receive any course credit.
- FSW must have your passing AAF test scores on file prior to registering for this exam.
- The exam score is valid for 1 year.
- There is **no retest** opportunity for the Trigonometry Bypass exam.
- To review for the test, you may use the MAC1114-Trigonometry textbook, Sullivan, Michael, and Michael Sullivan. *Algebra & Trigonometry: Enhanced with Graphing Utilities. 7<sup>th</sup> ed.*, Upper Saddle River, NJ: Pearson/Prentice Hall, 2017. Chapters for this course are 7, 8, 9, 10 and 11.7.
- The exam, located in Canvas, is 90 minutes.
- The exam is 25 multiple choice questions. **You must score at least 70% for passing.**
- You may **not** use a calculator.
- **No** formula sheets are allowed.
- You may take the exam on campus or via Zoom. Please make an appointment on our website at <https://www.fsw.edu/testing/placementregistration>.
- Scratch paper is allowed and will be collected/shredded by testing personnel upon completion of the exam or in front of the proctor if testing via Zoom.
- The test will be scored automatically in Canvas.
- Please *allow 24 hours for your score to be processed*.
- If there are no available seats in any section of MAC2311, it is your responsibility to watch the scheduling website for openings at this or another campus. Any delay in registering due to taking the bypass exam is your responsibility. Any professor teaching MAC2311 may agree to an override. If every section is filled, you may contact Andrew Buck in the Dean's office for a list of the professors so that you can ask a professor to agree to an override, and allow you into their class.
