Students learn from exceptional faculty in state-of-the-art simulation labs that make lessons come to life, art studios and galleries that nurture creativity, and classrooms with cutting edge technology that fosters innovation.

The faculty and staff at FSW are dedicated to the success of our students. With our sights set on graduation and beyond, personal Student Success Advisors meet one-on-one with FSW students to make short and long-term educational and career goals, and academic assistance is readily available to FSW students through excellent academic support services and peer tutoring.

FSW also provides opportunities for students to get engaged with the College and community outside the classroom. About Florida Gulf Coast University

At FGCU, learning is not a spectator sport. There’s no sitting on the sideline here. Students take active roles in their education, working collaboratively with faculty members and classmates. Student success – academic, personal and professional – is the top priority.

FGCU’s smaller classes are designed to allow for more individualized attention and mentoring by faculty. The campus, considered among the safest in the country, offers an exceptional quality of life, with pristine beaches, loads of clubs, organizations, activities and NCAA Division I athletics.

Financial Aid and Scholarships

FSW and FGCU participate in federal and state financial aid programs. In addition to grants, loans and work study, both institutions provide millions of dollars in scholarship awards. For example, FGCU provides some $2.7 million in FGCU Foundation Scholarships annually to include Eagle Transfer Gold Scholarships for students with a 3.5 GPA or higher who complete an AA degree from FSW or another Florida College.

Destination Southwest Florida

Our FSW Bucs and FGCU Eagles are proud to call Southwest Florida home! The area located near Florida’s gulf coast caters to those who enjoy the outdoors and sunshine. With 266 sunny days per year, beautiful white sand beaches, and a variety of parks, trails and outdoor spaces, students have a variety of options to enjoy the natural wonders of Florida. When not soaking up the sun, our students enjoy shopping, movies, sporting events, local attractions, and socializing at one of the area’s many restaurants. Come see for yourself!
