Florida SouthWestern State College's Cornerstone assessment plan includes collection of achievement data to measure the efficacy of the first year experience course SLS 1515 *Cornerstone Experience*. Upon successful completion of the Cornerstone Experience course, students will demonstrate their acquisition of analytical and evaluation skills; students will apply these acquired skills to guide their thinking, behavior, and attitude. Additionally, upon successful completion of the Cornerstone Experience course, students will take ownership over their own learning experiences, will apply newly acquired strategies to their academic endeavors, and approach their professional pursuits with confidence.
