Dear Curriculum Committee Members,

I have not received any action items which require a vote for the September Curriculum Committee meeting, but have received a handful of information items from the VPAA's office.

Therefore, in lieu of a meeting on September 4, 2015, I have attached Dr. Wright's memos for your information only.

We will plan to convene our next regularly scheduled meeting on Friday, October 2, at 1:00 p.m.

See you in October,  
Don Ransford, Curriculum Committee Chair
