Board of Directors Florida SouthWestern State College Financing Corporation Fort Myers, Florida

We have audited the financial statements of Florida SouthWestern State College Financing Corporation (the Financing Corporation), as of and for the year ended March 31, 2020, and have issued our report thereon dated July 23, 2020. We have previously communicated to you information about our responsibilities under auditing standards generally accepted in the United States of America and *Government Auditing Standards*, as well as certain information related to the planned scope and timing of our audit. Professional standards also require that we communicate to you the following information related to our audit.

#### Significant audit findings

#### Qualitative aspects of accounting practices

#### Accounting policies

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Financing Corporation are described in Note A to the financial statements.

No new accounting policies were adopted and the application of existing policies was not changed during 2020.

We noted no transactions entered into by the entity during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

#### Accounting estimates

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. There were no accounting estimates affecting the financial statements which were particularly sensitive or required substantial judgments by management.

#### Financial statement disclosures

Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users. There were no particularly sensitive financial statement disclosures.

The financial statement disclosures are neutral, consistent, and clear.

#### Difficulties encountered in performing the audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Board of Directors Florida SouthWestern State College Financing Corporation Page 2

#### Uncorrected misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. Management has determined that the effects of uncorrected misstatements are immaterial, both individually and in the aggregate, to the financial statements taken as a whole. The following summarizes uncorrected misstatements of the financial statements:

• Adjustment for revenue related to prior years recorded in 2020 in the amount of \$28,667.

#### Corrected misstatements

None of the misstatements detected as a result of audit procedures and corrected by management were material, either individually or in the aggregate, to the financial statements taken as a whole.

#### Disagreements with management

For purposes of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditors' report. No such disagreements arose during our audit.

#### Management representations

We have requested certain representations from management that are included in the attached management representation letter dated July 23, 2020.

#### Management consultations with other independent accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the entity's financial statements or a determination of the type of auditors' opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

#### Significant issues discussed with management prior to engagement

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to engagement as the entity's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our engagement.

#### Other information in documents containing audited financial statements

With respect to the required supplementary information (RSI) accompanying the financial statements, we made certain inquiries of management about the methods of preparing the RSI, including whether the RSI has been measured and presented in accordance with prescribed guidelines, whether the methods of measurement and preparation have been changed from the prior period and the reasons for any such changes, and whether there were any significant assumptions or interpretations underlying the measurement or presentation of the RSI. We compared the RSI for consistency with management's responses to the foregoing inquiries, the basic financial statements, and other knowledge obtained during the audit of the basic financial statements. Because these limited procedures do not provide sufficient evidence, we did not express an opinion or provide any assurance on the RSI.

Board of Directors Florida SouthWestern State College Financing Corporation Page 3

Our auditors' opinion, the audited financial statements, and the notes to financial statements should only be used in their entirety. Inclusion of the audited financial statements in a document you prepare, such as an annual report, should be done only with our prior approval and review of the document.

This communication is intended solely for the information and use of the board of directors and management of the Financing Corporation and is not intended to be, and should not be, used by anyone other than these specified parties.

#### **Report on the Financial Statements**

We have audited the accompanying financial statements of Florida SouthWestern State College Financing Corporation (the Financing Corporation), a component unit of Florida SouthWestern State College, as of and for the year ended March 31, 2020, and the related notes to the financial statements, which collectively comprise the Financing Corporation's basic financial statements as listed in the table of contents.

#### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to the financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Financing Corporation as of March 31, 2020, and the changes in its financial position and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

#### **Other Matters**

#### **Required Supplementary Information**

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis on pages 3 through 6 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

#### Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated July 23, 2020 on our consideration of the Financing Corporation's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the result of that testing, and not to provide an opinion on the effectiveness of the Financing Corporation's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Financing Corporation's internal control over financial reporting and compliance.

#### **Overview of the Financial Statements and Financial Analysis**

This section of the Florida SouthWestern State College Financing Corporation (the Financing Corporation) annual financial report presents a discussion and analysis of the financial performance of the Financing Corporation for the year ended March 31, 2020. The emphasis of discussions about these statements will be on current year activities, resulting change, and current known facts. The discussion should be read in conjunction with the basic financial statements and related notes. Responsibility for the completeness and fairness of this information rests with the Financing Corporation's management.

The annual report consists of a series of financial statements, prepared in accordance with the Governmental Accounting Standards Board (GASB) Statement No. 34, "Basic Financial Statements and Management's Discussion and Analysis for State and Local Governments," as amended. The Financing Corporation is considered a Business Type Activity under the provisions and reporting model of GASB Statement No. 34.

#### Financial Highlights

On December 21, 2017, the Financing Corporation issued the Series 2017A, Series 2017B, and Series 2017C Refunding Bank Loans in the par amounts of \$10,000,000, \$10,000,000, and \$2,879,067, respectively. The final maturity of the refunding notes is October 1, 2040, with interest rates of 3%, 2.96%, and 3%, respectively.

On April 3, 2008, the Florida SouthWestern State College's (the College) District Board of Trustees approved Policy 6Hx6:1.07 which allows the transfer of "legally available auxiliary enterprise funds" to the Financing Corporation in order to operate or administer contracts for the College's auxiliary enterprises on behalf of the College. Legally available funds is defined as all funds that are not; a) derived from tuition revenues; b) appropriated for designated purposes; c) pledged to secure obligations of the College, or if pledged, are in excess of amounts necessary to pay such obligations in the current fiscal year; or d) otherwise legally or contractually restricted as to use.

On November 16, 2007, the College entered into an agreement with Clearwire, Inc. to lease the College's excess capacity on its license to operate an Education Broadband Service (EBS). The College holds a license issued by the Federal Communications Commission to operate Educational Broadband Service Stations in areas surrounding its campuses.

Clearwire, Inc. is in the business of operating, aggregating, and/or managing broadband services and hence has agreed to pay royalties to the College for its excess capacity. A total of \$358,656 and \$359,097 was received from Clearwire, Inc. for the years ended March 31, 2020 and 2019, respectively. All revenue earned by the College from this agreement has been contributed to the Financing Corporation, as approved by the College's District Board of Trustees.

## **Financial Highlights (Continued)**

The Financing Corporation maintains an agreement with the College to collect lease revenues from the Florida SouthWestern Collegiate High Schools (the Charter Schools) located on the Lee and Charlotte campuses of the College. The Charter Schools are a component unit of the College. The Financing Corporation records the revenue from this lease agreement as nonoperating revenues from auxiliary operations of the College. A total of \$237,500 and \$200,000 was recognized as nonoperating revenues from the Charter Schools for the year ended March 31, 2020 and 2019, respectively. See Note F for additional information.

# NOTE A - ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

## **Description of Organization and Activities**

On November 27, 2007, the Edison College District Board of Trustees approved the creation of the Edison College Financing Corporation (the Financing Corporation). The Financing Corporation was incorporated as a nonprofit organization under the laws of the state of Florida on November 28, 2007. On March 31, 2010, the Financing Corporation changed its corporate name to Edison State College Financing Corporation, consistent with the name change of Edison State College. On July 1, 2014, the Financing Corporation changed its corporate name to Florida SouthWestern State College Financing Corporation, consistent with the name change of Florida SouthWestern State College (the College).

The Financing Corporation is a direct support organization and a component unit of the College, as defined by State of Florida Auditor General Rule 10.700 and Florida Statute 1004.70. It is governed by its own independent board of directors and is organized to: a) provide housing opportunities for the students of the College; b) finance capital projects to meet current and future needs of the College, such as student housing, parking facilities, and/or other improvements; c) manage and invest funds held by it; and d) any other proper activity of the College. The Financing Corporation has no component units. Therefore, no component units are reported as part of the Financing Corporation.

The governing body of the Financing Corporation is its board of directors (the Board). The Board is comprised of at least five (5) but not more than seven (7) directors. The Financing Corporation is managed, supervised, and controlled by its Board subject to applicable law and the powers and duties reserved to the District Board of Trustees and the President of the College.

The Financing Corporation's District offices are located on the Lee County campus of the College in Fort Myers, Florida.

#### Summary of Significant Accounting Policies

The following is a summary of the significant accounting policies used in the preparation of these basic financial statements.

## **Basis of Accounting**

Basis of accounting refers to when the effect of transactions or events should be recognized for financial reporting purposes. It relates to the timing of the measurements made, regardless of the measurement focus applied.

The financial statements of the Financing Corporation have been prepared using the economic resources measurement focus and the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America. Under this method, revenues are recorded when earned and expenses are recognized when they are incurred.

## NOTE A - ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

### **Basis of Accounting (continued)**

The Statement of Net Position is presented in a classified format to distinguish between current and long-term assets and liabilities. The Statement of Revenues, Expenses, and Changes in Net Position is presented by major sources. The Statement of Cash Flows is presented using the direct method and is in compliance with GASB Statement No. 9, "Reporting Cash Flow for Proprietary and Non-expendable Trust Funds."

#### Financial Statement Presentation

The Financing Corporation follows Governmental Accounting Standards Board (GASB) Statement No. 34, "Basic Financial Statements - and Management's Discussion and Analysis - for State and Local Governments," as amended, and GASB Statements No. 38, "Certain Financial Statements Note Disclosure," as amended.

GASB Statement No. 34, as amended, established standards for external financial reporting which includes a Statement of Net Position, a Statement of Revenues, Expenses, and Changes in Net Position, a Statement of Cash Flows, and Notes to the Financial Statements. GASB Statement No. 34 also includes a requirement that management provide a discussion and analysis of the basic financial statements and it requires the classification of Net Position into three components – net investment in capital assets; restricted; and unrestricted. These classifications are further defined as follows:

- Net investment in capital assets consists of capital assets, net of accumulated depreciation, reduced by the outstanding balances of any debt that are attributable to those assets.
- Restricted consists of assets that have constraints placed upon their use through external sources imposed either by creditors (such as through debt covenants) or through laws, regulations or constraints imposed by law through constitutional provisions or enabling legislation, reduced by liabilities to be paid from these assets.
- Unrestricted consists of net position that does not meet the definition of "restricted" or "net investment in capital assets."

The Financing Corporation also adheres to the recommendations of the National Association of College and University Business Officers (NACUBO). NACUBO's recommendations are consistent with generally accepted accounting principles promulgated by the GASB.

Since the Financing Corporation is not required to adopt a legal budget, a budget-versus-actual statement is not presented as part of these financial statements.

#### Cash and Cash Equivalents

The Financing Corporation considers highly liquid, short-term investments purchased with an original maturity of three months or less to be cash equivalents.

## NOTE A - ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

## **Receivables**

Receivables consist of amounts due from the College for lease revenues from students residing in LightHouse Commons. Such amounts are reported net of an allowance for uncollectible accounts of \$28,667 at March 31, 2020.

## **Investments**

On December 5, 2014, the Financing Corporation's board of directors approved an updated investment policy which defines the fiduciary responsibility of the Financing Corporation's investment advisor and establishes asset uses and the acceptable level of risk on investments. The adopted policy permits investments in low to low-moderate risk investment vehicles. Investments are reported at fair value. Realized and unrealized gains and losses are reflected in the Statement of Revenue, Expenses, and Changes in Net Position.

## **Capital Assets**

The Financing Corporation's capital assets are capitalized and recorded at cost at the date of acquisition or at estimated acquisition value at the date received in the case of gifts and purchases of state surplus property. Additions, improvements, and other outlays that significantly extend the useful life of an asset are capitalized. Other costs incurred for repairs and maintenance are expensed as incurred. The Financing Corporation has a capitalization threshold of \$5,000 for tangible personal property and \$25,000 for buildings and other structures and improvements. Depreciation is computed on the straight-line basis over the following estimated useful lives:

Building	40 years
Other Structures	10 years
Furniture, Machinery, and Equipment:	
Computer Equipment	3 years
Office Equipment	5 years
Furniture	7 years

## **Operating Revenues and Expenses**

Operating revenues are those revenues that are generated directly from the primary activity of the Financing Corporation. These revenues are charges for student rent and fees related to housing. Operating expenses are necessary costs incurred to provide the goods and services that are for housing as well as for support of the College. Items that do not directly relate to the principal and usual activity of the Financing Corporation are recorded as nonoperating revenues and expenses.

## NOTE A - ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

## Income Taxes

No provision for income tax expense has been made in the accompanying financial statements since the Financing Corporation is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code. The Financing Corporation is organized exclusively for educational purposes and although it has not been classified as an organization that is a private foundation under Section 509(a)(2), it has been classified as a corporation under section 509(a)(3).

## **Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

## NOTE B – CASH AND CASH EQUIVALENTS

The Financing Corporation's policy allows deposits to be held in demand deposit and money market accounts as well as other low to low-moderate risk investment vehicles. Cash and cash equivalents (deposits) consist of the following at March 31, 2020:

## **Deposits**

Custodial credit risk is the risk that, in the event of a bank failure, deposits will be forfeited. The Financing Corporation does not have a deposit policy for custodial credit risk. The Financing Corporation has experienced no custodial credit risk losses.

The Financing Corporation's accounts are categorized as follows:

	Bank Balance
Unrestricted Amount covered by Federal Depository Insurance or collateralized pursuant to Florida Statute 280 Total Unrestricted	<u>\$ 4,206,880</u> 4,206,880

	<u>\$ 5.815.015</u>

## **Custodial Credit Risk**

The Financing Corporation maintains its Public Funds Bank Accounts in Qualified Public Depositories as required by Section 280.17, Florida Statutes. These assets are fully insured through a combination of up to \$250,000 per financial institution through Federal Deposit Insurance Corporation (FDIC) or collateral pursuant to Chapter 280, Florida Statutes, Security for Public Deposits. Florida Statute 280.17 requires that public funds be fully collateralized.

## **Credit Risk**

The Financing Corporation's policy requires limiting investments to the safest types of securities and diversifying the investment portfolio so that potential losses on individual securities will be minimized. The Financing Corporation's investment in the Money Market Mutual Fund is rated AAA at March 31, 2020.

## **NOTE C - INVESTMENTS**

The Financing Corporation's policy objectives suggest an investment strategy of an intermediate taxable fixed income portfolio. The intermediate taxable fixed income portfolio will have a duration range of 1.5 to 3 years determined first by the liquidity requirements of the Financing Corporation and then by yields available in the market. A maximum, final maturity for any single issue will be 3.5 years, with the exception of agency mortgage-backed securities, which may have longer final maturities, but must have average lives of less than 3.5 years at purchase.

Investment will be limited to U.S. treasuries, government agency debt (including agency mortgagebacked securities), taxable municipal bonds, and corporate bonds with the following portfolio limitation: maximum allocation to taxable municipal bonds is 25%; maximum allocation to corporate bonds is 25%; and minimum allocation to government agency and agency mortgage-backed securities will be 50%, with the additional provision that the maximum allocation to agency mortgage-backed securities is 20%.

The strategy states that all corporate bond investments will be A rated or better, with a provision that no purchases will be made if a bond is rated below A by any of the three ratings agencies. All taxable municipal bond investments will be AA rated or better, with a provision that no purchases will be made if a bond is rated below AA by any of the three ratings agencies.

All assets will be invested in liquid securities, defined as securities that can be sold quickly and efficiently for cash, and will settle within three business days.

#### Custodial Credit Risk

For an investment, custodial credit risk is the risk that, in the event of the failure of the counterparty, the Financing Corporation will not be able to recover the value of its investment or collateral securities that are in the possession of an outside party.

The Financing Corporation utilizes the services of an investment manager, FineMark National Bank and Trust, for its investments. The investments held by the investment manager are uninsured and unregistered, with securities held by the counterparty's trust department or agent in the Financing Corporation's name.

The Money Market Mutual Fund account, in the amount of \$117,619, is not insured through either the FDIC or Chapter 280. Investments in these money market mutual funds are not categorized as to custodial credit risk as they are not evidenced by securities that exist in physical or book entry form.

## **NOTE C – INVESTMENTS (CONTINUED)**

#### Interest Rate Risk

As a means of managing its exposure to fair-value losses arising from increasing interest rates, the Financing Corporation has established a target for the duration of its fixed income portfolio to be between 1.5 and 3 years.

As of March 31, 2020, the fair value of the Financing Corporation's investment portfolio was \$4,890,094. The portion attributed to fixed income investments totaled \$4,772,475 and was available by percentage of its portfolio as follows:

Investment Maturities	Percentage of Portfolio
Less than 1 year	22.6%
1-3 years	77.4%

All funds classified as Investments are recorded at fair value, as listed on March 31, 2020. As of March 31, 2020, the maturities of investments by type were as follows:

	Fair	Investment Maturities				
Investment Type	 Value	Les	s than 1 Year		1-3 Years	
Federal Agencies	\$ 2,431,872	\$	375,106	\$	2,056,766	
State and Municipal Bonds	987,633		126,295		861,338	
Corporate Bonds	976,213		377,897		598,316	
Foreign Obligations	 376,757		201,539		175,218	
Totals	\$ 4,772,475	\$	1,080,837	\$	3,691,638	

#### **Credit Risk**

It is the Financing Corporation's policy that the fixed income portfolio must be rated at A or higher for corporate bond investments and AA or higher for all other investments by any of the three rating services. At March 31, 2020, the Financing Corporation's fixed income investments were rated as follows:

	% of
Ratings	Portfolio
AAA	60.0%
AA	28.6%
А	11.4%
	100.0%

## **NOTE C – INVESTMENTS (CONTINUED)**

## **Concentration of Credit Risk**

The Financing Corporation's policy limits investments to U.S. treasuries, government agencies, taxable municipal bonds, and corporate bonds. The maximum exposure to A and AA rated bonds is 25% and 25%, respectively, of the portfolio's fair value. Obligations of the U.S. government or obligations explicitly guaranteed by the U.S. government are not considered to have credit risk and do not have purchase limitations. The following represents investments with issuers that exceed 5% of the Financing Corporation's total investments:

Issuer	 suers' Total Fair Value	Percent of Total Investments		
FREDDIE MAC (FHLMC)	\$ 303,872	6.21%		
FEDERAL HOME LOAN BANK (FHLB)	\$ 589,870	12.06%		
FANNIE MAE (FNMA)	\$ 1,330,687	27.21%		

Management of the Financing Corporation believes the concentration of credit risk with respect to its investments is mitigated by investing through the use of a national investment manager in U.S. treasuries, government agencies, highly rated corporate bonds, municipal bonds, and widely traded mutual funds.

### **Foreign Currency Risk**

The Financing Corporation's exposure to foreign currency risk is as follows:

Investment	Currency	Maturity	Fa	ir Value	Rating
BP Capital Markets PLC	British Pound	3/11/2021	\$	201,539	Α
Royal Bank of Canada	Canadian Dollar	3/22/2022	\$	175,218	AAA

The Financing Corporation's investment policy does not set a limitation on total investments in foreign currency-denominated investments. The Financing Corporation's current position is 7.89%.

## Fair Value Measurements

The Financing Corporation categorizes its fair value measurements within the fair value hierarchy established by accounting principles generally accepted in the United States of America. The hierarchy is based on the valuation inputs used to measure the fair value of the asset. Level 1 inputs are quoted prices in active markets for identical assets; Level 2 inputs are significant other observable inputs; Level 3 inputs are significant unobservable inputs.

The Financing Corporation has the following recurring fair value measurements as of March 31, 2020:

- Federal Agencies of \$2,431,872 and State and Municipal Bonds of \$987,633 are valued using pricing models maximizing the use of observable inputs for similar securities (Level 2 inputs).
- Corporate Bonds of \$976,213 and Foreign Obligation Bonds of \$376,757 are valued using a matrix pricing model (Level 2 inputs).

Under the terms of the refunding notes, the Financing Corporation was required to fund the "debt service reserve fund." This was funded from the existing debt service reserve that had been established for the refunded bonds and \$1,414,435 is reported in restricted cash and cash equivalents.

#### NOTE F – LEASE AGREEMENT

On August 1, 2010, the Financing Corporation entered into a Master Lease Agreement with the College for the properties occupied by the Charter Schools in both the Charlotte and Lee Campuses. The College leases the respective properties on its campuses to the Financing Corporation for a rental fee of \$1.00 per annum. The property covered by the Master Lease Agreement thereon is leased back to the College to manage and operate. The Financing Corporation records the revenue from this lease agreement as nonoperating revenues from auxiliary operations of the College.

## NOTE G – RELATED PARTY TRANSACTIONS

Nonoperating revenues totaling \$596,156 were received from the College during the year ended March 31, 2020 and consisted of funds assigned to the Financing Corporation from College auxiliary operations, from two contracts for Educational Broadband Services (EBS) excess capacity use and royalties and from two charter school building leases. The assigned funds totaled \$358,656 from EBS royalties and \$237,500 from the charter school leases.

Financing Corporation personnel are employed by the College. The Financing Corporation paid the College \$96,000 to reimburse the College for the estimated salaries and related payroll taxes and benefits of its staff assigned to the Financing Corporation. Additionally, the Financing Corporation paid the College \$228,000 to reimburse the College for contract and personnel services related to the operation of LightHouse Commons.

The Financing Corporation paid the College \$36,299 to reimburse the College for other expenses related to the operation of LightHouse Commons.

#### **NOTE H – ECONOMIC DEPENDENCE**

The Financing Corporation is dependent upon the College to contribute resources until the occupancy rate in LightHouse Commons reaches a level that allows the Financing Corporation to cover its operating expenses, as well as its debt service payment. Loss of these funds and/or large decreases in these types of funding would have a material effect on the Financing Corporation and a negative impact on overall operations.

#### **NOTE I – RISK MANAGEMENT**

The Financing Corporation is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; and natural disasters. These risks are covered by commercial insurance purchased from independent third parties. Settled claims have not exceeded commercial insurance coverage in any of the last three years.

#### **NOTE J – SUBSEQUENT EVENT**

Subsequent to year end, the Coronavirus Disease 2019 (COVID-19) has recently affected global markets, supply chains, employees of companies, and our communities. Specific to the Financing Corporation, COVID-19 may impact various parts of its 2021 operations and financial results. Both domestic and international equity markets have experienced large declines, effecting the Financing Corporation's investment portfolio. These losses are not included in the financial statements as of and for the year ended March 31, 2020. The full impact of COVID-19 is unknown and cannot be reasonably estimated.

#### **Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statements, we considered Florida SouthWestern State College Financing Corporation's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Florida SouthWestern State College Financing Corporation's internal control. Accordingly, we do not express an opinion on the effectiveness of Florida SouthWestern State College Financing Corporation's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control weakness, yet important enough to merit attention by those charged with governance.

32

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

#### **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether Florida SouthWestern State College Financing Corporation's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

#### Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Florida SouthWestern State College Financing Corporation 8099 College Parkway Fort Myers, FL 33919

Florida SouthWestern State College Financing Corporation:

Enclosed is the organization's 2019 Exempt Organization return.

Specific filing instructions are as follows.

### FORM 990 RETURN:

This return has qualified for electronic filing. After you have reviewed the return for completeness and accuracy, please sign, date and return Form 8879-EO to our office. We will transmit the return electronically to the IRS and no further action is required. Please return Form 8879-EO to us as soon as possible, but no later than by August 17, 2020 the filing deadline.

In addition, tax-exempt organizations must make available for public inspection a copy of their annual returns for the preceding three years and exemption application, if applicable. An organization generally must furnish filings to anyone who requests them in person or in writing. An exempt organization may meet this requirement by posting all the documents on its website or at another organizations site as part of a database of similar materials. Specific requirements must be met to meet this exception.

When mailing is necessary, we recommend that you use certified mail with postmarked receipts for proof of timely filing.

Be sure to review the returns prior to signing as you have final responsibility for all information included in the returns. If there is anything on the return you do not understand, we would be glad to answer your questions.

Copies of each return are provided for your permanent records. Based on IRS guidance, we generally recommend that you keep supporting documentation for a minimum of seven years; and that you keep copies of the tax returns, and records that support basis for items in the tax return, indefinitely.

We value our relationship with you and thank you for your trust and confidence in allowing us to serve you. If you have any questions regarding the returns or other services that we can assist you with, please do not hesitate to contact us. Some of our best clients come through referrals from existing clients. If you know of anyone who could benefit from our assistance, we would be pleased to speak to him or her.

Sincerely,

CliftonLarsonAllen LLP
