\*FSWC - Lee recognizes that students need academic organization and time management help and structure beyond simply receiving instruction and materials from teachers. Sometimes we build "constructive time" into our Big Block Days so that students have access to teachers during the school day. Additionally, all teachers have posted office hours and are available through Canvas and via e-mail.

Unless a particular sponsor makes alternative plans, all after school events end at 3:30 and staff will leave by 3:45. Please make arrangements to pick your student up promptly.

*Students interested in a club or activity not listed, please talk to Dr. Botts and/or find a staff sponsor willing to host a club.*
