

## FSWC-LEE 2019 Sophomore, Junior and Senior Lottery Results

FSWC - Lee operates with an open enrollment and non-discrimination policy, and a lottery process is used to rank order interested parties in the cases where demand for seats exceed capacity. All students claiming the statutorily provided sibling or employee preference have been provisionally vetted prior to receiving their enrollment packet and may require appropriate documentation to claim their preferential seat. This reality, along with the fact that we must wait for families to make withdrawal decisions, creates an inherent delay in the immediate offer of seats, particularly in the Sophomore class. Based on seat availability and confirmation of academic eligibility (for 11<sup>th</sup> & 12<sup>th</sup> grade) offers of admission will be processed in the order established by the lottery. Regardless of any other circumstances, your lottery registration number has automatically been placed on the waiting list in the order ranked here and you will be extended an offer to enroll in this order. Please call the office if you need an update on how close your number is to being offered a seat. Enrollment information and packets to accept a seat will be processed and sent to the address on file via US mail. Being selected in the lottery does not guarantee the seat for next year; you must return the required documentation on or before the established deadline.

*Lottery numbers listed below as LEE-2018-XXX are valid for this year. Only the “XXX” digits matter....our system pulled the “LEE-2018” from the start date of this year’s process as opposed to the finished date.*

### Important information:

- Sophomore seats only open as freshmen withdraw; it is likely that no sophomore seats will be offered until early summer.
- FSWC - Lee must physically have complete enrollment packets by 3:00 on or before the due date established in the upper right corner of the provided Basic Student Information Page.
- Enrollment packets are vetted in real time and in person so applicants are encouraged to bring the paperwork to the school prior to the due date to allow time for corrections.
- If you do not receive a packet via U.S. mail it is your responsibility to contact us for a replacement.
- Students seeking Junior and Senior seats will need to be fully qualified for Dual Enrollment before FSWC - Lee can accept a provisional enrollment packet.
  - False, misleading, or fraudulent records can disqualify the applicant from consideration. Upon confirmation of the presented information, you will be invited to an advising session to plan your schedule and confirm your enrollment.
  - You must provide documentation of qualifying Reading, Writing, and Math scores on the PERT, SAT, or ACT as well as a 3.0 cumulative unweighted GPA. Acceptable scores are linked @ <https://www.fsw.edu/testing/dualenrollreadyadmit>.
  - You must provide an official recent report card or academic history substantiating the unweighted cumulative GPA.
  - Home school students with virtual school credits must have those credits established to a Lee County Academic History prior to the initial submission of records.

\*\*\* The numbers highlighted in **green** are reserved for those claiming employee and sibling preference - please note, to officially claim these seats you MUST complete and return the paperwork that will be sent to your address on file by the deadline date!!
