Clubs listed in red include deliberate elements to provide school sanctioned opportunities related to the school philosophy of "Work to Learn; Learn to Lead." **Activities** listed in red are opportunities for students to return to receive and/or provide academic support. Appropriate dress and decorum are expected for students returning to the high school.

*NHS Eligibility criteria is being updated during the Fall of 2019

FSWC - Lee recognizes that students need academic organization and time management help beyond simply receiving content based instruction from teachers. Academic skill development happens through school wide efforts, specific skill building delivered by teachers as part of their curriculum, and through various more personalized arrangements. From time to time we build "constructive time" into our weekly plans so that students have access to teachers during the school day. Additionally, all teachers are available through Canvas and via e-mail.

Unless a particular sponsor makes alternative plans, all after school events end at 3:30 and staff will leave by 3:45. Please make arrangements to pick your student up promptly.

Students interested in a club or activity not listed, please talk to Dr. Botts and/or find a FSW employee willing to host a club.
