

## FSWC-LEE 2020 Sophomore Lottery Results

FSWC - Lee operates with an open enrollment and non-discrimination policy, and a lottery process is used to rank order interested parties in the cases where demand for seats exceed capacity. All students claiming the statutorily provided sibling or employee preference have been provisionally vetted prior to receiving their enrollment packet and may require appropriate documentation to claim their preferential seat. This reality, along with the fact that we must wait for families to make withdrawal decisions, creates an inherent delay in the immediate offer of seats, particularly in the Sophomore class. Based on seat availability offers of admission will be processed in the order established by the lottery. Regardless of any other circumstances, your lottery registration number has automatically been placed on the waiting list in the order ranked here and you will be extended an offer to enroll in this order. Please call the office if you need an update on how close your number is to being offered a seat. Enrollment information and packets to accept a seat will be processed and sent to the address on file via US mail. Being selected in the lottery does not guarantee the seat for next year; you must return the required documentation on or before the established deadline.

### Important information:

- Sophomore seats only open as current freshmen withdraw; it is likely that no sophomore seats will be offered at all.
- FSWC - Lee must have complete enrollment packets by 3:00 on or before the due date established in your enrollment offer packet. All enrollment transactions must happen via U.S. mail.
- If you do not receive a packet, it is your responsibility to contact us for a replacement.
- Lottery registration numbers highlighted in **Green** represent sibling or employee preference and offers of enrollment are pending available sophomore seats. It is likely that these offers cannot be confirmed until mid-summer.
