

FSWC Dress Code Highlights

To help clarify expectations, the FSWC interpretation of the LCSD dress code is outlined here in bulleted form:

- Shoes do not have to be closed toed, with laces, or solid colored. Athletic and beach style sandals are permitted. Closed toed athletic shoes are required for P.E. and other physical activities.
- All shirts must cover the midriff. Adequate length is determined as providing complete coverage even when the student raises both hands above their head. Tops must provide coverage of the shoulder and or include a sleeve.
- All pants, skirts, shorts, etc....., must be worn so that the bottom hem is at least long enough to reach within three inches of the knees. Pants, shorts, or other bottoms must not have rips or other revealing characteristics above the knee.
- Messaging on t-shirts and/or other articles of clothing must be school appropriate.
